19. She is very hungry. I will (make) her a sandwich.
20. George is going to (visit) her sister on Saturday.

EXERCISE 2 READING COMPREHENSION.

Read the text carefully and do the activities:

“My future plans and expectations”

I often wonder about my future as I am about to finish Secondary School. The number one question on my mind is which profession should I choose? I want a profession that will satisfy me, challenge me, and bring me joy. I believe that a job should be like a hobby. I want to love my work.

First of all, As soon as I finish Secondary School, I will take the first important exam of my life - the final graduation exam. I will be tested in four different subjects: the English and German languages, biology, and chemistry. After my graduation, I will study at the Medical University to become a doctor.

But now, I am focusing my attention on finishing my studies. Also, before I have a family, I would like to travel overseas. I want to see countries like Japan, Finland and travel through the African continent. After I finish my education and travels, I plan to get married and have a family. I would like to live with my future family in a quiet, natural countryside setting.

1. Answer the following questions.

a) What test is he going to do?

The final graduation exam.

b) Will the student in the text above be tested in French language?

No.

c) What will he do after his graduation?

He will study at the Medical University to become a doctor.

d) Does he want to travel and visit other countries?

Yes.

e) Where will he want to live?

In a quiet, natural countryside setting.

2. Say whether the sentences are true or false.

1. The student is always thinking about his future job. (**True**)
2. He wants a well paid profession. (**False**) – *He wants a job he loves, like a hobby.*
3. He thinks about his final graduation exam. (**True**)
4. He is studying medicine in a university (**False**) – *He plans to study medicine after graduation.*
5. He wants to have a family. (**True**)
6. He would like to live with his family in a city. (**False**) – *He wants to live in the countryside.*
7. He will travel around the world before to study. (**False**) – *He will travel after finishing his education.*
8. He is going to tested in maths. (**False**)
9. When he finish his studies he won't get married (**False**) – *He plans to get married.*
10. He wants to be a Doctor. (**True**)

3. Match each word with its appropriate meaning.

1. Career	b. To get a university or college degree.
2. Graduate	a. Profession or job that people have a salary for the performed work.
3. Hobby	d. Arrangement for doing something.
4. Plan	c. An activity that we do for pleasure in our free times.

EXERCISE 3

Look at the picture. Can you find the people in list A? What are they going to do? Make sentences with the words in list B.

Examples:

1. A young man **is going to give** some flowers.
2. Some children **are going to buy** ice creams.
3. An old woman **is going to post** some letters.
4. Two women **are going to have** a meal.
5. A young couple **is going to have** a haircut. (*o una pareja joven*)
6. Two policemen **are going to arrest** a thief.
7. An old man **is going to make** a phone call.
8. Two boys **are going to pick up** some boxes.

A)

- | | | |
|------------------|-------------------|---------------|
| 1) a young man | 4) two women | 7) an old man |
| 2) some children | 5) a young couple | 8) two boys |
| 3) an old woman | 6) two policemen | |

B)

- | |
|-----------------------|
| a) buy ice creams |
| b) arrest a thief |
| c) have a haircut |
| d) post some letters |
| e) have a meal |
| f) pick up some boxes |
| g) give some flowers |
| h) make a phone call |

List A + List B

a young man → give some flowers (g)

some children → buy ice creams (a)

an old woman → post some letters (d)

two women → have a meal (e)

a young couple → have a haircut (c)

two policemen → arrest a thief (b)

an old man → make a phone call (h)

two boys → pick up some boxes (f)

EXERCISE 4 WRITING EXERCISE

In our session write a text about your future plans. Draw your face in the circle. A reporter just asked you, "What are you going to do when you finish your technologist?" Write your answer.

You
↙

When I finish my technologist in Análisis y Desarrollo de Software, I am going to work as a software developer. I will develop web applications, mobile apps and management systems.

I hope I will work in a technology company creating useful programs for people and businesses. In the future, I will specialize in programming and I will continue learning new technologies like Artificial Intelligence and cloud computing.

Do not forget the explanation of the right pronunciation of vowels and intonation given by the teacher!

EXERCISE 5 MY LIFE PROJECT ORAL PRESENTATION

Look at the video and present your life Project with an oral presentation, try to use the vocabulary related to your technologist and the grammar reference about will and going to.

1. Nombre del proyecto y tus datos (Nombre, completo, ficha , programa de formación, mes y año al final)

"My Life Project. My name is Albert Camilo Blanco Amado, ficha number 3196477. I am studying in the program of Análisis y Desarrollo de Software. July 2026."

2. Una frase en inglés que te guste y te inspire (como introducción de tu proyecto).

Ejemplo:

"The future belongs to those who believe in their beauty of their dreams"

3. "Who am I? ¿Quién soy? En un párrafo describe como te defines o describes como persona.....

Ejemplo: I am an intelligent boy, I'm nice and very friendly...

"I am a responsible, creative and hardworking person. I am passionate about technology and programming. I like solving problems and creating useful applications. I am friendly and I always try to learn new things every day."

4. "My personal goals" Visualízate en 5 años y escribe lo que quieres lograr (Pronostica tu futuro - utiliza el verbo auxiliar will)

Professionally: I think I **will be** a professional **software developer**.

Where I will work: I hope I **will work in** a technology company or as a freelance developer.

Position: I **will have** the position of **Senior Software Developer** or **Systems Analyst**.

Salary: I **will earn** a good salary.

Positions: I **will lead** important projects and create my own software solutions.

5. "My future plans". Recuerda que con los planes utilizamos - Be going to

My plans about my studies: I **am going to** continue studying at university to specialize in software engineering or artificial intelligence.

I **am going to** the university to get a professional degree.

My plans about my family: I **am going to** start a family and spend time with them.

My plans about my health: I **am going to** exercise regularly and eat healthy food to have energy for my work.

6. "What do I have to improve as a person and be succeed "Qué aspectos tienes que cambiar en tu carácter y personalidad para ser una persona exitosa

"To be successful, I have to improve my English speaking skills, be more organized with my time, and learn new programming technologies faster."

"This project helped me think about my future in a clear way. It motivated me to study harder in programming and systems development. Now I understand that with effort and good planning I can achieve my dreams and become a successful software developer."

7. "Conclusions". Escribe por lo menos 3 oraciones que digan a qué te ha llevado reflexionar este proyecto
